Increase Conversions with Custom Vehicle Comments

Custom vehicle descriptions help on-line customers connect with the vehicle in a way that technical descriptions from the manufacturer don't. Creative, interesting vehicle descriptions help the customer connect with the essence of the vehicle and help them to establish an emotional experience. Once a customer has made that emotional connection, they are much more likely to purchase it from you.

Differentiate Your Online Marketing

Taking vehicle descriptions straight from manufacturer feeds does not differentiate you at all from the hundreds of other dealerships who sell the same brands and use the same feeds. Dealer Assist Now is here to help you when you don't have the time to spend making these unique and engaging. Make your move with Dealer Assist Now and pull ahead of the competition with custom vehicle descriptions.

Put Professional Automotive Writers to Work for You

With Dealer Assist Now's Full-Service option, you can put your internet sales department's focus on selling vehicles and making money instead of creative writing. Signing up for the Full-Service option gets you an assigned writer who will take care of you daily as you add new vehicles to your inventory. Prefer DIY? We offer self-service options too! New, used, certified preowned, and wholesale – We've got you covered!

Aston Martin Vehicle Comments

Dealer Assist Now began its journey in 2007 as a place for dealers to share vehicle comments/seller's notes. We started with a few dealers and quickly grew a full service platform that helps dealers in all 50 states and a few in other countries. We work with your Aston Martin Product with the goal to be the voice of the vehicle. Without comments, your online store is like a salesperson standing next to your vehicle with his or her mouth taped shut.

Our Aston Martin Comment staff attends auto shows, follows motorsports, and comprehends the dynamics of Aston Martin vehicle ownership. They understand the confidence you have with the Vanquish and describe it with passion. Our writers understand the Rapide S buyer as well as the Vantage owner. Aston Martin is a way of life and for anyone that has not experienced this pleasure; we walk them down the path.
